We are updating the Leisure Services Master Plan!

Kitimat's Leisure Services Master Plan (LSMP) is now 15 years old and most action items recommended in the Plan have been completed. DOK is undertaking a LSMP Update to review the Plan and establish strategic direction for the Leisure Services Department to 2030.

From September 5 to October 4, DOK will be undertaking a community survey to find out what parks and recreation services you use, how satisfied you are, and what your priorities for the future may be.

Survey link will be available on our project web page at Kitimat.ca/lsmpl.

If you would like to receive updates throughout the planning process, we encourage you to join our e-mail list; please send a request to lsmpl@kitimat.ca.
