### KITIMAT MINOR SOFTBALL ASSOCIATION

P.O. Box 128, Kitimat, BC V8C 2G6

Kitimat Minor Softball Association offers organized leagues for children of all ages from T-ball for 5 year olds to fast pitch for 18 year olds, for both boys and girls. These leagues emphasize teaching the fundamentals of the game and having fun, playing the game of softball. The 5 to 12 year olds play on the Nechako fields, 2 days per week, with the older players using the Riverlodge fields on Monday & Wednesday. There are separate boys and girls teams for ages 10 and up. There are also competitive teams for those who wish to play a more intense game and try to compete at the provincial levels. The season starts in mid-April with team selections, and clinics for coaches and umpires, as well as some indoor workouts for the players. The outdoor season starts in May as soon as the fields are open, and continues until school is out.
