### Linda Slanina

Congratulations to Kitimat's own Linda Slanina who was a recipient of the 2017 Governor General Awards in Commemoration of the Persons Case. For over two decades she has worked tirelessly to empower women and girls and end gender-based violence in her hometown of Kitimat.

"From 1987 to 1993, Ms. Slanina served as President of Kitimat Crisis Line, the first anonymous crisis intervention service in the community. In 1996, working with the Ministry of Women's Equality of British Columbia, she helped found Dunmore Place, which continues to provide shelter to women experiencing violence. Ms. Slanina has worked with Tamitik Status of Women since 1993, advancing from Administration Assistant to Transition House Manager to Executive Director, a demanding position she has held with distinction since 2003. Under her guidance, the organization provides programs and services that seek both to mitigate the effects and address the causes of violence and poverty in Kitimat.

A committed volunteer for more than four decades, she has also served on the Board of Directors for the Kitimat Community Foundation, on the District of Kitimat's Housing Committee and has lent her energies to a vast array of other community building and social justice causes.

Ms. Slanina has contributed immeasurably to the wellbeing of women and children in her community and to the overall quality of life in Kitimat." – Source: *Women in Canada*

### Water Damage to Trails

The District of Kitimat would like to advise hikers using the District of Kitimat trails, that many of the trails have suffered flood damage from the recent heavy rains and flooding that Kitimat experienced. Many trails have significant silt, mud and uneven water-scoured surfaces in various sections.

A trail evaluation is underway and basic repairs are being undertaken to make trails passable for the winter season. Additional repairs will take place in the spring.

If hikers become aware of concerns on the District of Kitimat trails, reports can be made to the Leisure Services Department at **250-632-8970**, or **250-632-8910**, or [dok@kitimat.ca](mailto:dok@kitimat.ca).
