

DISTRICT OF KITIMAT

Business Façade Improvement Program – 2019

KITIMAT
A Marvel of Nature and Industry

Program Purpose and Goals

The District of Kitimat, in collaboration with the Kitimat Chamber of Commerce, aims to enhance economic development by encouraging private sector investment in façade improvements for existing businesses. This follows other initiatives to help existing Kitimat businesses make improvements, including the Revitalization Tax Exemption program for commercial properties.

The availability of façade improvement grants comes at a time in which the community is experiencing a period renewal resulting from industrial development.

This program is made possible through a grant from Northern Development Initiative Trust.

The Program

Applications are accepted on an ongoing basis and are reviewed on a first come, first serve basis until the annual budget of the program has been allocated.

The District of Kitimat will provide a 50 per cent reimbursement grant up to a maximum of up to \$5,000 per building/project to improve the façades of commercial buildings.

Each building/business is eligible for a one-time grant only.

Projects must have a minimum total cost of \$1,000.

Eligible Properties

Businesses may be eligible to receive a façade improvement grant if they meet the following criteria:

- Located in a commercial zone or Service Centre (M2, M2-A, M2-B zones)
- Based at their current location for at least one year prior to the date of application

Eligible Applicants

- You must be either the property owner or business owner (if the applicant is the business owner, the property owner must approve the application in writing and confirm that all improvements are to be paid for by the applicant);
- Non-profit societies occupying commercial storefronts; and
- Home-based businesses (eligible for wayfinding signage only*);
- All property taxes pertaining to the property are fully paid and current;
- There must be a current, valid business licenses for the property (unless otherwise exempt);

Design Guidelines

In order to be eligible for this grant, the applicant must submit designs and costing for the project. Grants will be awarded based on merit, as determined by District of Kitimat and Kitimat Chamber of Commerce staff.

Designs need to clearly outline the proposed improvements to allow the review committee to accurately evaluate the project, and clearly see that the finished product looks like what was intended during the application process. As much as possible, projects must be consistent with the general form and character of the design guidelines set out for the area.

For businesses located within the Downtown Revitalization Area, the improvements should align with Kitimat's Downtown Design Guidelines. A PDF version of the guidelines is available on the municipal website at: www.kitimat.ca/EN/main/business/building-land-development/downtown-design-guidelines.html

Building, sign and/or other permits may be required based on the extent of the improvements to be completed. These requirements are not waived by approval for the Façade Improvement Program, and should be applied for prior to or concurrently with application for this program.

Business Application Process

Applications will be accepted by the District of Kitimat Economic Development Department by mail, in person or electronically.

Submitting an application does not necessarily mean a project or a specific grant amount will be approved. All project proposals are subject to a comprehensive review, must meet high quality standards, and must reflect the spirit and intent of the Façade Improvement Program Guidelines. Generally, the application, approval and reimbursement process is as follows:

- 1- Owner/ Tenant contacts the Municipality to determine if the building qualifies for the Façade Improvement Program, discuss your project, and obtain the Program Guide and Application.
- 2- Owner/ Tenant submit a complete application with designs. All required supporting materials and documents (including owner authorization) must be received prior to be considered complete.
- 3- Staff reviews the application and proposed façade improvements to ensure that improvements meet the applicable Design Guidelines and Façade Improvement Guidelines.
- 4- Applications are reviewed and a decision to accept or reject the application is made.
- 5- Applicant is advised of the decision by email and mailed letter.
- 6- For successful applications, a Letter of Understanding is sent to the applicant, which must be signed by the owner/tenant and a representative of the Municipality.
- 7- Owner/Tenant acquires any required permits and completes the renovations.
- 8- Owner/Tenant provides verification of expenses (including invoices or other confirmations of payment) and submits their totals on the provided expense tracking sheet.
- 9- Owner/Tenant provides a Certification of Completion signed by the applicant or contractor, indicating that all work described in the application/approval and has been paid in full, as well as before and after photos, a business testimonial, and any other supporting documentation.
- 10- Owner/Tenant provides proof that the improvements have passes final inspection for municipal permits (where required) and meet all building standards and codes (where required).
- 11- Staff verifies that the renovations meet the Letter of Understanding requirements and approves reimbursement.
- 12- Applicant is issued a cheque.

PLEASE NOTE: Approved Projects must be completed by Year End. Funding cannot carryover from one calendar year to the next.

Evaluation / Selection Process

A three (3) member Project Review Committee comprised of District of Kitimat (Economic Development & Planning) and Kitimat Chamber of Commerce staff will review applications and determine which projects qualify for funding.

All Eligible Projects will be evaluated using the following ranked criteria:

- Has the owner/tenant demonstrated how the modifications will benefit the business?
- Does the project for which the funds are being sought meet the applicable Design Guidelines?
- Will the project provide a noticeable improvement on the streetscape?
- Was a professional designer or architect used?

Older buildings may be prioritized for approval depending on the number of applications received.

Program Marketing Plan

The District of Kitimat Economic Development department and Kitimat Chamber of Commerce will jointly promote the Business Façade Improvement Program through the use of printed materials (brochures, newspaper ads), websites and social media platforms. Both organizations will include information on the program in their monthly newsletters.

Additional Information

The District of Kitimat has implemented a Revitalization Tax Exemption (RTE) program to encourage improvements to existing “Class 6” buildings. Applicants to the Façade Improvement Program may be eligible for this exemption. Contact Community Planning & Development at 250-632-8910 for details.
