Respondent Enquiries

Question #25

Source	Appendix A2: Evaluation Criteria (Section 3.3: Haisla Nation Involvement)
Request	Haisla Nation have advised that they have established an exclusive relationship with one or more Respondents. Please advise us how to proceed.
Response	Haisla Nation will be permitted to join Respondent Teams at its discretion. Section 3.3 of Appendix A2 (Evaluation Criteria) seeks an explanation of how an effective relationship may be established with the Haisla Nation and Haisla Nation Businesses during the design and construction; however, Haisla Nation Businesses are not required to be members of each Respondent Team. The involvement of the Haisla Nation in a Respondent Team is not a requirement and Respondent Teams will not be penalized if its team does not include the Haisla Nation or any affiliated entity.
