## CONTROLLED WASTE APPLICATION

### Yard, Wood, Organics, Land Clearing

P: 250.632.8900 E: waylesswaste@kitimat.ca

**Approval No.:** \_\_\_\_\_

**Yard Waste** means all organic material produced by a yard or garden, including grass clippings, hedge and tree pruning material, small twigs, chipped tree waste, branches not exceeding 12mm(1/2 inch) in diameter and 1.2m(4ft) in length, weeds and material from flower and vegetable gardens.

**Clean Wood** means waste that comprises solid wood, lumber, or pallets that does not contain any glues or resins, are unpainted, unstained, or untreated, and may or may not be pierced with nails or other metal fasteners.

**Organic Material** means Food Waste, garden waste including leaves, grass, small twigs, chipped tree waste, tree branches less than 12 mm (1/2 inch) in diameter and 1.2 m (4 feet) in length, and compostable structural wood waste

**Land Clearing Waste** means the wood waste produced from clearing of land for development, other than organic materials, and includes trunks, stumps, tree branches 12mm (1/2 inch) in diameter or greater, tops and whole trees, that may include soils.

**IMPORTANT:** This form is to be completed by a representative of the controlled waste generator. Complete sections that are applicable to generated waste, sign and date. Please attach any additional information (analyses, etc.) that describes the controlled waste. Send completed applications to [waylesswaste@kitimat.ca](mailto:waylesswaste@kitimat.ca). We are collecting your personal information under section 26(c) of the *Freedom of Information and Protection of Privacy Act* to verify that all materials accepted for disposal are compliant with our BC ENV operational permit. If you have questions about our collection of your information, please contact us at [administration@kitimat.ca](mailto:administration@kitimat.ca) or at (250) 632-8900

The generator warrants that, to the best of their knowledge, the information provided on this Application is true. The generator acknowledges that, if the waste referred to in this Application is determined to be other than as represented in this Application, the generator, at their sole expense and risk, will attend such place as the material is located and remove the material immediately upon instruction from the District of Kitimat to do so. Failure to remove the waste will entitle the District of Kitimat to deal with the waste in the manner they consider appropriate in the circumstances, at the sole expense and risk of the generator. Source of material must be from within the district service area. One source per load.
