### Respondent Enquiries

#### Question #16

<b>Source</b>	Key Individual (Page 9)
<b>Request</b>	Can we please have the DB Director role split from the Project Manager role? For a project of this scope and complexity these roles are inherently different. We intend on bringing forth different individuals for each of these roles and would like the opportunity to have them scored correctly.
<b>Response</b>	The District does not intend to evaluate additional Key Individuals at this time.
