**RE: INVITATION TO TENDER  
WATER BAY TRUCK 2018  
AMENDMENT #1**

---

Dear Madame(s) or Sir(s),

The intent of this addendum is to advise of an extension that has been issued for the above mentioned tender.

1. On page 7, in the Instructions to Tenders the Closing Time, it previously read:  
“....: **2:00 P.M., local time, Wednesday, April 4<sup>th</sup>, 2018.**”

Replace with:

“....: **2:00 P.M., local time, Wednesday, April 11<sup>th</sup>, 2018.**”

2. On page 8, in the Special Conditions of Tender the Delivery, it previously read:  
“....The equipment shall be delivered no later than **June 30<sup>th</sup>, 2018** ....”

Replace with:

“....The equipment shall be delivered no later than **December 15<sup>th</sup>, 2018** ....”

3. Can you please find out if we are to quote on this as per the drawing, because the cabinet size you ask for the hose reel does not match the drawing?

Please quote as per the drawing. We are looking for a hose reel that fits in the curb side rear 36” compartment.

4. The drawing shows a telescopic roof, but the written spec has no mention of this.

That is correct. We are looking for a telescoping roof that seals as a water tight compartment. If you would like to change it to a fold roof we are accepting of that as well, as it doesn't leak.

Please note on your submission the inclusion of same.

Should you need further information, or have any other questions, please do not hesitate to contact the undersigned at 250-632-8928.

Yours truly,

Robyn Iannarelli  
Purchasing Manager
