**April 16, 2020** – Hirsch Creek Park and Radley Park will not be open for camping until at least May 31, 2020.

The closure of these parks is necessary to ensure the continued health and safety of the public and District of Kitimat personnel.

The District of Kitimat will continue to monitor the COVID-19 pandemic closely and is following the recommendations set out by the Provincial Health Officer and the Minister of Health for decisions related to closure and reopening of parks and facilities.

Thank you for your patience during this time.
