**Hot Tub and Sauna Closed
Until Further Notice due to COVID-19**

March 16, 2020 – Due to risks associated with COVID-19, the hot tub and sauna at the Sam Lindsay Aquatic Centre and both saunas at the Riverlodge Recreation Centre are closed until further notice.

It has been recommended that to maximize social distancing (1-2 metres), and to lessen the transmission of COVID-19, small hot tubs, saunas, and steam rooms are to be closed. The District is adhering to this recommendation.

Thank you for your patience during this time.
