

# Notes from Council

## Kitimat Council Meeting Summary of Key Items – November 04, 2019

- Council heard from CitySpaces the consultants for the District of Kitimat that are undertaking the Housing Action Plan and needs assessment for the community.
- Council heard from Ed Hoffman, Ministry of Environment and the Kitimat Terrace Clean Air Coalition on the mediated settlement regarding Rio Tinto Environmental Effects Monitoring Plan. The Ministry requested that the District of Kitimat provide representation on the newly formed Kitimat Airshed Group.
- Council asked staff to report back on the composition of a committee to research and review Council remuneration.
- Mayor Germuth was appointed the Director of the Regional District of Kitimat-Stikine with Councillor Goffinet as the alternate.
- Council approved that the current Council appointees to Committees and Commissions be extended for a one-year term.
- Council provided grants to both Kitimat Valley Housing Society and Kiwanis Village to cover property taxes for 2019 and 2020.
