

Notes from Council

Kitimat Council Meeting Summary of Key Items – July 6, 2020

- Council will consider a bylaw at a future meeting to reflect the approval of a 50% reduction in the cost of monthly Leisure Service passes during COVID to reflect the limited availability of facilities.
- Council received a report regarding Arena Summer Ice Costs and Possible Rentals with the Leisure Services Department for the possible installation of ice in the arenas for August 2020. The report was received and further monitoring will occur, but there was not sufficient justification for installing the ice early.
