

# Notes from Council

## Kitimat Council Meeting Summary of Key Items – August 10, 2020

- Council received a report from BC Hydro regarding the BC Hydro Kitimat LNG Interconnection Study.
- Council heard from Vanessa Combden regarding backyard hens and requested that staff report back on options to allow backyard hens, ducks, and bees as well as egg sales.
- Council heard from LNG Canada regarding a request for road use and access lease at Minette Bay and land use opportunities at Whitesail Green for Marbled Murrelet habitat and District Lot 95 (an area in Minette Bay) for Wetland offset.

Council granted LNG Canada's request to allow access to Minette Bay starting 17 August 2020 (from 8 September 2020).

Council requested staff report back on the LNG Canada's proposals for Marbled Murrelet habitat and wetland offsets.

- Council had a discussion regarding the use of funds from lease revenues from LNG Canada for park development and ecological restoration.
- Council received a presentation from Fogdog Energy Solutions Inc regarding a thermal waste energy system.
- Council approved the 2019 Annual Report.
