

Notes from Council

Kitimat Council Meeting Summary of Key Items – November 16, 2020

- Council approved a request to My Mountain Co-op (Shames Mountain) for \$10,000 following their presentation requesting financial support.
- Council tabled the temporary use permit for a parking lot for Coastal Gas Link to allow an opportunity for discussion on conditions to the permit. The decision on the permit will be brought back to Council at a future meeting.
- Council accepted for consideration a Development Variance Permit application for 116 Whittlesey Street. The application is to allow a variance for an increase in the maximum accessory building height from 3 meters to 4.88 meters and to reduce the side yard setback from 1 meter to .37 meters. Public notice will be issued, nearby property owners and tenants will be notified, and the application will be referred to the Advisory Planning Commission.

The Public Notice, including details on how to comment, will be posted at www.kitimat.ca/pn.

- Council authorized the District of Kitimat to apply to the Northern Development Initiative Trust for the 2021 Business Façade Improvement funding program.
- Council approved, when applicable, the promotion of credible information that is beneficial to the local economy and supportive of local businesses, including the aluminum industry, LNG industry, and local small and medium sized business.
- Council approved an application from the Kitimaat Valley Education Society for \$31,740.56 through the Community Resiliency Fund. The money will be used towards the purchase of required operational PPE to support their ongoing operational plan.
- Council approved the terms, with amendments, to be used in considering grant applications that fall outside the Community Grants / Sponsorship Program.
