

# Notes from Council

## Kitimat Council Meeting Summary of Key Items – March 4, 2024

### Regular Meeting of Council

- Council approved a grant application to the Union of British Columbia Municipalities – Local Government Development Approvals Program. If successful, the grant would support the District of Kitimat to address the findings and implement recommendations in the province’s 2019 Development Approvals Process Review Report. This includes a comprehensive review and preparing recommendations with respect to development approval procedures and fees for all application types; business licensing; methods for issuing public notice and collecting public input and delegating authority to staff for some permits.
- Council approved a resolution to the North Central Local Government Association to have the Province clarify the criteria that needs to be met in order for the COVID vaccine mandate for health care workers to be removed and a second resolution for consideration to the North Central Local Government Association on options for development of small scale commercial contaminated sites.
