Phone Number of Contractor: \_\_\_\_\_ Email: \_\_\_\_\_

### Details

- Maximum curb cut width of single access is 7.5 metres (25 ft.);
- Second access refer to Municipal Code;
- District of Kitimat will only maintain 4.8 metres (16 ft.) clear during snow removal;
- The owner is responsible for repairs to the driveway removed to complete the curb cut work;

### If Using a Contractor

- If using a contractor the owner will abide by the following:
  - No work to start until written approval of site mark-out is obtained;
  - Provide 24-hours notice to Engineering at 250-632-8900 prior to starting work;
  - Request inspection of form work prior to concrete pour;
  - Request final inspection
- Owner is responsible for completion and acceptable workmanship. If not acceptable upon final inspection the owner will make good at his cost.
- If any repair or replacement is required by the District of Kitimat due to unacceptable work, I agree to pay the cost of such repairs.

I have read the above information and agree to the conditions as indicated.
