The above information is as supplied by the property developer and the District of Kitimat does not guarantee its accuracy. We strongly recommend that the building/owner expose the services and verify their locations and elevations prior to design of buildings on this property.

THE DISTRICT OF KITIMAT ASSUMES NO RESPONSIBILTY FOR THE ACCURACY OR COMPLETENESS OF THE FIELD INFORMATION SHOWN ON THIS PLAN. THIS INFORMATION SHOULD BE USED AS A REFERENCE ONLY. THE DISTRICT OF KITIMAT ACCEPTS NO RESPONSIBILITY FOR ANY ERRORS OR OMISSIONS WITH RESPECT TO THE SUBJECT MATTER CONTAINED HEREIN AND EXPRESSLY DISCLAIMS ANY SUCH RESPONSIBILITY

All elevations and offsets are given in metres and elevations are to Kitimat Datum unless specifically stated otherwise.

This information has been provided subject to the federal *Copyright Act* and in accordance with the provincial *Freedom of Information and Protection of Privacy Act*.

Please Note: A permit must be obtained before any excavation is made outside of your property boundaries or in a right-of-way on your property. This is to prevent accidental contact with buried services which may result in severe personal injury or expensive property damage.

ROUTE:
