District of Kitimat

270 city centre

Kitimat B.C.

Attention: Mayor and council

Dear sirs and madam

Re: lot south of Cranberry St. (tamitik status of women proposal of development land)

I am writing to you today to let you know I am Not in favour of the proposed building that will be located just south of cranberry st Kitimat B.C.

I was opposed to the PTI camp (Now clveo camp) and that got passed.

Work camps should not be within city limits.

I'm opposed to the skid camp that clveo has planned now for this area.

I'm opposed to the building of a 4 Story Building behind my house. (tamitik status of women building)

You would think that this is not a good location for this building so close to a 3000 Man work camp.

I'm not in favour of the size of the building and the type and amount of businesses it is planned to have within its building.

Im not opposed to a residential house build for battered women and children. Just a 4-story building and the amount of spin off business in it.

I'm disappointed that the district has yet come to approach me regarding the planning of this building.

This area is residential, not business. It's a agricultural / residential area and should be used as such.

It is against the city plan to have this building in a residential area.

As to office space. John de Medeiros my husband is the caretaker of the century house building and has been for the last 23 years. There is yet to be a time when the building was full. currently there are 4 office space available for rent.

Thank you

Tammy & John De Medeiros
