ATTENTION: Mayor and Council

Dear Mayor and Council Members:

RE: Civeo Camp Services

We are opposed to letting Civeo Camp Services put temporary skid mounted camp units on their property at 100 Loganberry Street in Kitimat, B.C.

We live approximately 300 metres from their property. Civeo presented Strawberry Meadows with a concept plan before they were allowed to purchase and proceed. It included a multi story dorm buildings with glass stairways, a clock tower, food court, and a peaked entrance. It was referred to as a Lodge.

We were opposed at that time to the construction of such a project as we did not believe it fit our concept of quiet country living. A portion of their property was rezoned at that time which included designated "agricultural reserve". Consequently we now back onto Civeo property.

Civeo must be held to original plan.

Sincerely,

Doug and Cheryl Groves
