Subject: Proposed MSJV Parking

To Mayor and Council:

Attention :Warren Waycheshan, CAO

Gwendolyn Sewell

In regards to the proposed MSJV Parking

-List of alternative sites

-No traffic north (back) of Blackberry Street, dust, noise, 24 hour usage etc.

-Dust has been a problem all summer, vehicles with back up warning, alarms going off

-removal of blue and white units

-use lots south of present

-put elsewhere and bus patrons to site

-why was parking not part of the original plan ?

-why was Blackberry Street not included ? in report last year December 17/19

-problem with garbage in parking lot...beer cans, whiskey bottles, needles, butane, spoons, baking soda, drugs, food garbage, Tim Horton cups, cigarettes and containers. You name and we have seen it. No concern for the neighbourhood.

-speeding a concern along Loganberry Street, children now living on Blackberry Street

Please consider

Kelly Smith

Carol MacDonald

58 Blackberry Street
