To Whom It May Concern,

I am writing this letter to show my support for TSW's housing project in Strawberry Meadows. As a long-term resident and tax-payer in Kitimat I feel that our community has been sorely lacking supports, especially in housing, for those who need it most.

TSW has carefully considered options on where to situate this multi-purpose housing and the Strawberry Meadows location best meets the needs of its future clients.

I think this project would be an asset in any neighborhood as it will be a gorgeous and turn-key facility that our community can be proud of.

Your attention to this important matter is greatly appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read 'Lucille Boudreau', with a long horizontal flourish extending to the right.
