To Mayor and Council;

As a resident of Strawberry Meadows I'm opposed to the new women's shelter location at 461 Quatsino.

As I may not be able to attend the public hearing on January 14th I would like to join my fellow residents and share that a new women's shelter is needed and beneficial but I don't agree with the location. I believe that Strawberry Meadows should remain as a residential family area.

Sincerely,  
Serina Parrill  
Strawberry Meadows Resident
