Subject: 461 Quatsino, proposed re-zoning. and O.C.P. Change

Hello Ethan, Mayor and Councilors.

I'm writing to you today to inform you that yes I would like to remain on the email list for information regarding 461 Quatsino.

Has there been a date selected for the next meeting?

Has there been any more information regarding this proposal that is not available on the web site?

We would like to take this opportunity to work with TSW and the city to resolve the issues. If any councilors are interested in meeting with us we would welcome this meeting if you have any questions to ask us. to a max of 3 councilors at a time. Please feel free to contact us to set something up. We believe that together we can work things out. We are again trying to be a good neighbor. Please forward this to all that it may concern.

Best Regards
