

Residents of Strawberry Meadows:

Thank you for taking the time to communicate your concerns regarding our proposed housing project in your email dated January 22nd. I will be unable to attend your meeting on Sunday, January 27th at Riverlodge.

Please see the attached document called Creating Homes. Many of the concerns raised by Strawberry Meadows residents are addressed within. I would be happy to discuss this further with Council and the community, and invite you to the Open House on February 11, and to the public hearing on March 4 both of which will be held at LUSO Hall. The District's public notice's website, also has a wealth of information contained within the Public Handbook available here:

<https://www.kitimat.ca/en/municipal-hall/public-notices.aspx#Zoning-and-OCP-Amendment-for-461-Quatsino-Blvd>

As a community non-profit we are committed to strengthening our community, and to hearing all voices as we move through this public consultation process. TSW's mission is to promote a healthy community by offering ongoing support, education and opportunities while prioritizing equality and safety. I believe that Council's decision to hold further consultation in the form of an open house fits with TSW's workplace philosophy by providing an extended opportunity to hear concerns, such as yours, about our project. If our application is successful, we look forward to working with the District and the community as we move forward with this important project for Kitimat.

Should you have any further concerns, or know anyone that does, please do not hesitate to bring these to myself or to Council to be entered into the public record.

Regards,

Linda Slanina
