**Subject:** TSW building will block view of Mt Elizabeth

To Mayor, Council and to whom it may concern:

Something to think about...would you that are in favor of this location of 461 Quatsino Blvd., Kitimat B.C. want a 4 storey building at the back of your house ? We all love the beauty of this area....so let's not build anything that would take away what we cherish. Building a 2 storey "HOME" would not be a problem to anyone living in the area and be more inviting to women and children needing a temporary "HOME" not a 4 storey commercial building.

Something To Think About  
Carol MacDonald
