

# SAFETY INFORMATION

- Just because you can see the operator does not mean that the operator can see you
- There are many blind spots on the equipment
- The machines cannot stop quickly, so keep your distance
- Avoid walking on the road as the equipment may slide on icy stretches
- Ensure your pets are kept inside or away from the front yard area when the snow removal equipment is near

# SNOW REMOVAL INFORMATION

**KITIMAT**

A Marvel of Nature and Industry

# SNOW BANKS

- Ensure children playing on snowbanks leave the area when snow removal equipment is near and never allow children to play in roadside snowbanks
- Operators may not be able to see over snowbanks

# ABOUT THE OPERATORS

The snow removal equipment operators have the safety of the public at the forefront of their minds. They do their best to ensure the roads are in top condition during the winter months.

With the cooperation and patience of the public, we can have clear roads as well as a safe winter.

# STREET CLEARING

## Best practices during street clearing:

- Stay back at least three car lengths (15m) from the snow removal equipment while you are driving
- Do not attempt to pass or go around snow clearing equipment
- If operators are clearing behind you, pull into the nearest driveway to let them pass
- Stay indoors while the machines are at work on your street
- Do not place snow from your driveway onto the street or road.

# PARKING

## Recreational Vehicles, Boats, and Trailers in Residential Areas

Between November 1 and March 31, RVs, boats, and trailers can be parked on a residential property provided that they are:

- 4.5 metres from your front property line; or on your legal driveway; **and**,
- Ensure there is at least 1.8 metres of unobstructed spaced between properties

## Public Parking

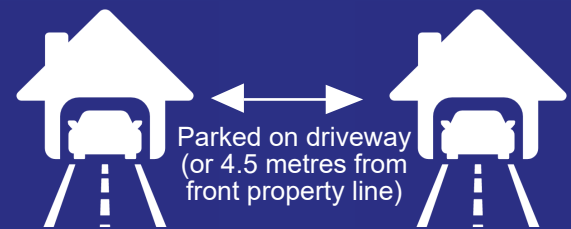

No overnight parking in public parking lots unless signage indicates otherwise.

# TOWING

Any vehicle parked on the road during snow clearing operations will be subject to tow without warning and at the owner's expense.

For more detailed information please visit [kitimat.ca](http://kitimat.ca)

Street parking prohibited between 2:00 a.m. and 7:00 a.m. from October 1 to March 31, or when it impedes snow clearing

# COMMENTS

Please do not direct any comments about snow removal to the equipment operators.

Contact the Public Works Yard at 250-632-8930 for any comments you may have.

If you feel that the District of Kitimat has damaged your property during snow removal, please phone 250-632-8930 immediately to report the incident, at any time of the day, including after hours.
