You've been invited to participate in the 2021 Kitimat Household Survey!

The District of Kitimat is conducting the Kitimat Household Survey to better understand Kitimat's housing affordability issues, local wages, and your community's needs. Information collected will be used to support planning in your city and give you an opportunity to share your thoughts.

The 2021 Kitimat Household Survey is being enumerated by Big River Analytics, on behalf of the District of Kitimat. We are using this survey to:

- ◊ Estimate the current Kitimat population, including the number of temporary residents;
- ◊ Assess average wage levels by sector;
- ◊ Assess the current state of housing need and housing affordability in Kitimat; and
- ◊ Estimate current residential vacancy rates in Kitimat.
