

KidSport™ Kitimat

History

KidSport™ was founded in 1993 in Vancouver, BC whose main goal was and still is to provide an opportunity for kids to play sports who otherwise could not afford to do so. KidSport™ Canada was incorporated in 2005 and now has provincial chapters across Canada. KidSport™ Kitimat is one of the 42 chapters across BC. that ensures that no child is left on the sidelines.

With the start up of KidSport™ Kitimat, any monies raised locally will stay in Kitimat, giving our friends' and neighbours' children opportunities to play sports. The goal of KidSport™ Kitimat is to raise enough money over time for the fund to be self-supporting year after year. In any given year, KidSport™ BC grants \$1500 to \$5000 each year towards supporting youth in Kitimat.

So **ALL** Kids
Can Play!

About Us

KidSport™ Kitimat is a not-for-profit organization that provides financial assistance for sport registration fees to kids aged 18 and under. Through a confidential application process, we provide grants so kids can play a season of sport. Our primary goal is to financially support local youth who would not otherwise have the opportunity to take part in sports.

Application Information

Applications must be received prior to or during the requested sport season. The sport must be taught by a qualified coach and the sport activity must be affiliated with Sport BC. Camps, equipment and travel are not eligible expenses. Preference for funding is given to children who are being introduced to organized sport.

KidSport™ Applications are available at kitimat.ca

Our Proud Partners:

JOE IANNARELLI EQUIPMENT LEGACY FUND

KidSport™ Kitimat provides financial assistance for sport registration fees to kids aged 18 and under. One of the barriers for kids to participate may also be the need for sporting equipment. Through the Joe Iannarelli Equipment Legacy Fund, KidSport™ Kitimat is able to help minimize this barrier by providing financial assistance for equipment.

Access to sport for the young was always the goal for the late Joe Iannarelli through his work in Recreation, and from the sideline.

The Joe Iannarelli Equipment Legacy Fund grant is to provide monies, up to \$100, towards the purchase of sports equipment. This fund is to supplement a child/youth enrolled in an organized sport or approved recreation program.

Application Information

The Joe Iannarelli Equipment Legacy Fund Application Form is available at Kitimat.ca (Recreation and Leisure / Leisure Access Funding Program / Joe Iannarelli Equipment Legacy Fund)

Completed application forms can be emailed to cdemelo@kitimat.ca or dropped off to Riverlodge (654 W Columbia Ave.)
