

September 20, 2018

Good afternoon,

The District of Kitimat along with B.C. Healthy Communities will be hosting three Age-Friendly Focus Group Sessions in October. We would like to extend an invitation to local agencies community service providers and local business owners to take part in the upcoming Kitimat Age-Friendly Dialogue to Action Workshops. The sessions will be held at the Riverlodge Activity Room and the Kitimat Library as follows:

- **Session One:**
Kitimat Seniors (I will be contacting seniors that signed up for this session)
Riverlodge Activity Room
October 25, 2018
9:00am to 12:00pm
- **Session Two:**
Kitimat community service providers, agencies and local business owners
Riverlodge Activity Room
October 25, 2018
1:00pm to 4:00pm
- **Session Three:**
Express session open to anyone not able to make other two sessions this day
Kitimat Library meeting room
October 25, 2018
6:00pm to 7:30pm

The Focus Group sessions will be led by BC Healthy Communities with seniors and community partners and stakeholders that have shown an interest in taking the Age-Friendly dialogue to the next level. Our goal is to gather, have key discussions based on survey results and brainstorm on how we move forward in taking actions that make our community more Age-Friendly. These results will drive the priorities that will be put forth in the Age Friendly Action Plan to Mayor and Council.

At this time, I would like to get an idea of how many of you would be interested in taking part in the upcoming sessions planned for October. If you are interested in taking part in a session two, **please fill out the attached form and return to me by October 12, 2018 at nwarren@kitimat.ca.**

Thank you and I look forward to having you're valuable presence and input as we move along this journey towards a more Age-Friendly Kitimat!

Kind regards,

Nanci Warren
