**NOTICE OF DISRUPTION OF SERVICE WITH  
TRAFFIC LIGHTS  
HAISLA AND KULDO INTERSECTION**

January 10, 2019 - The traffic lights at the Haisla and Kuldo intersection are currently flashing red. Please treat this intersection as if it is a 4-way stop until the traffic lights are back in working order.

The District of Kitimat is currently scheduling for a significant repair and lights will return to normal operations once the work is complete.

We would like to thank the public for their patience while these repairs are completed.
