

Addendum #5

Issue Date: September 10, 2020

Description of Addendum

The purpose of this Addendum is to address Respondent Enquiries by amending or clarifying the terms or contents of the Request for Qualifications for Design-Build Services.

Respondent Enquiries

Question #17

Source	Appendix A2: Evaluation Criteria, Section 4.2: Nominated Projects
Request	Section 4.2: Nominated Projects states that Nominated Projects are projects undertaken in the past 8 years. Will a project that was opened to traffic in September 2012 qualify as a Nominated Project for the RFQ and RFP stages?
Response	Nominated Projects are projects completed within the past 8 years based on issuance of a certificate of completion, or equivalent process.

Question #18

Source	Section 1.2 Definitions
Request	In the RFQ section 1.2 Definitions, there are 2 Respondent Team Members defined. Respondent Team Lead notes in part (b) “has the authority to enter into the Design-Build Agreement with the District”. Respondent’s Representative notes “...fully authorized to represent the Respondent...” Is the intent that both of these individuals have “signing authority” for the Respondent Team?

Response | The Respondent Team Lead is the **party** responsible for leading the Respondent Team.
The Respondent’s Representative is the **individual** who is fully authorized to represent the Respondent in any and all matters related to its Response.

Question #19

Source | RFQ Evaluation Criteria Section 5.1 – 5.7 and Section 6.1 – 6.2

Request | In the RFQ Evaluation Criteria, it states “With reference to at least one, and no more than three, of the Nominated Projects, describe the experience and capability for each of the following:”

Can you clarify if it is one and up to three projects for each point (a) through (g), or up to three projects for the entire section?

Response | Respondents should identify one, and up to three, projects for each bullet point (e.g. (a) through (g) for Section 5.1 Project Management). The Nominated Projects may be different for each letter item.
