The work under this contract includes, but is not limited to, the following:

- Demolition and disposal of the existing cantilevered reinforced concrete deck;
- Arrange a third-party mock-up pull test for a post-installed rebar into existing anchor slab to establish a minimum standard of quality;
- Design and installation of temporary falsework, formwork, shoring, and re-shoring;
- Installation of the new cantilevered structural deck;
- Installation of floor finishes and slip-resistant floor surface;
- Installation of floor access hatches and drains;
- Preparation and installation of the isolation joints.

There will be a mandatory site visit **Thursday, 15 October 2020** at **11:00 a.m.** at the Sam Lindsay Aquatic Centre, #400 City Centre.

Tender documents may be obtained from the District of Kitimat. Inquiries should be directed to "Holly Thomopoulos, Engineering Clerk" at the District of Kitimat, Engineering Department at 270 City Centre, Kitimat, B.C., V8C 2H7, telephone 250 632-8906.

Tenders must be accompanied by a Certified Cheque or Bid Bond in the amount of 10% of the tendered price as bid security. The District of Kitimat reserves the right to reject all tenders or to award the Contract to other than the lowest tender received if it perceives that to be in its best interests.
