

DISTRICT OF KITIMAT
REQUEST FOR PROPOSAL
IP NETWORK UPGRADE
CONTRACT No. 414

Proposals must be submitted by email to engineering@kitimat.ca, no later than **2:00 p.m.** local time on **5 April 2022** and will be opened at that time.

This is an opportunity to rebuild the core network infrastructure for the small but bustling northern municipality of the District of Kitimat. The project goal is to provide a secure, manageable, scalable, and resilient, network hardware and logical network design that will be the foundation for our data systems and growing digital communication needs. The District of Kitimat is anticipating this project to begin in April 2022 for preferred completing in Quarter 3 of 2022.

RFP documents may be obtained from the District of Kitimat on or after 04 March 2022. Inquiries should be directed to Holly Thomopoulos, Engineering Clerk, email engineering@kitimat.ca at the District of Kitimat, Engineering Department at 250-632-8906.

The District of Kitimat reserves the right to reject all tenders or to award the Contract to other than the lowest tender received if it perceives that to be in its best interests.
