A Marvel of Nature and Industry

## **TRAVEL RESTRICTION IMPACTS ON KITIMAT CAMPGROUND RESERVATIONS**

**APRIL 28, 2021** – In accordance with province-wide restrictions to help stop the spread of COVID-19 and variants, all non-essential travel between health regions in British Columbia is now prohibited until at least May 24. Travel within the Northern Health and Interior Health Authority regions in which Kitimat belongs is still permitted.

We will be contacting those from outside of the regions who have reserved a campsite for before May 24 to issue a refund or adjust their booking.

We will continue to adhere to any additional orders or extensions of existing orders as directed by the Provincial Health Officer. This may impact reservations after May 24 with little notice.

To check on your campsite reservation please call 250-632-8955.
