SAM LINDSAY AQUATIC CENTRE STAFFING

October 1, 2021 – The District of Kitimat is working hard to train new lifeguards and swim instructors to serve the community in the coming months. Until then, those using the Sam Lindsay Aquatic Centre may encounter earlier than typical closing times and limited pool capacity in order to balance the lifeguard to patron ratio.

Please also note that all swim lessons at Level 4 and below require an adult or responsible person 16 years or older in the water during the lesson. Swim lesson schedules may be adjusted to balance staffing requirements.

We appreciate your continued patience as we navigate these challenging times.

RADLEY PARK CAMPGROUND CLOSED

October 1, 2021 – Due to expected heavy rainfall, at 4:00 p.m. today Radley Park Campground will be closed for the season. Hirsch Creek Park remains closed to campers.

Those currently camping at Radley Park can move their RVs to the Riverlodge Recreation Centre Parking lot at 654 Columbia Ave.

For those accessing the Hirsch Creek Park and Radley Park this weekend, please exercise caution around high, fast-moving water and avoid the riverbank's edge.
