PROOF OF VACCINATION AT RECREATION FACILITIES

October 26, 2021- The current Provincial Health Order (PHO) has vaccine requirements that have come into effect as of October 24, 2021.

As a result, the Tamitik Jubilee Sports Complex and Riverlodge Recreation Centre will now require that your BC Vaccine Card show proof of two doses of Covid-19 vaccination for some activities if you are 12 or older. If you are 19 or older, you will also need to provide one piece of government-issued photo ID.

Proof of Vaccination is Required for:

- Weight room, cardio room, and gymnasium use
- Adult drop-in activities (e.g. drop-in shinney hockey or open gym)
- Fitness classes
- Events of more than 50 people (e.g. swim meets, pool rentals, Riverlodge facility bookings, hockey games)

Proof of Vaccination is Not Required for:

- Structured child and youth activities
- Coaches, volunteers, or parents directly supporting youth sport
- Drop-in public swimming (including swim lessons & aquafit)
- Drop-in public skating when facilities are not being used for adult sports
- Any outdoor recreation activities (e.g. outdoor volleyball court)

If you have questions about vaccine requirements, please reach out to Riverlodge Recreation Centre at 250-632-8970. We appreciate your patience with our staff during this time.
