UPDATED PROOF OF VACCINATION AT RECREATION FACILITIES

November 5, 2021- The current Provincial Health Order (PHO) contains proof of vaccine requirements that are now in effect for all recreation facilities.

As a result, the Tamitik Jubilee Sports Complex and Riverlodge Recreation Centre require that your BC Vaccine Card shows proof of two doses of Covid-19 vaccination for some activities.

Proof of Vaccination is Required for:

- Weight room, cardio room, and gymnasium use (for those age 12+)
- Those aged 12-21 participating in sport, recreation, or physical activities that are primarily intended for adults (e.g. 20 year old in an adult hockey league)
- Fitness classes
- Those age 12+ attending ticketed and non-ticketed sports events
- Those age 12+ attending events of over 50 people (e.g. pool rentals, Riverlodge facility bookings)
- Those age 12+ attending drop-in programs such as public skating, shinney hockey, open gym, and arena walking
- Adults age 22+ who are leading, supervising, or assisting indoor and outdoor child and youth sport programs (volunteer coaches, parents, and officials)

Proof of Vaccination is Not Required for:

- Structured child and youth activities
- Staff or paid workers (age 22+) who are leading, supervising, or assisting indoor and outdoor child and youth sport programs
- Drop-in public swimming (including swim lessons & aquafit)
- Any outdoor recreation activities (e.g. outdoor volleyball court)

If you have questions about vaccine requirements, please reach out to Riverlodge Recreation Centre at 250-632-8970. The complete PHO can be found at www.bit.ly/3mRhg3H

We appreciate your patience with our staff as we navigate changing health orders.
