

## **4<sup>TH</sup> ANNUAL CLEAN UP KITAMAAT/KITIMAT CAMPAIGN MAY 11 - 17, 2019**

**May 8, 2019** – Each spring season we promote a clean-up campaign to encourage all residents to clean up their home, yard and place of business to help us all enjoy a clean, attractive community. This year's campaign runs from May 11 to 17 and is an excellent time to remove any fire hazards, return recyclable material to the recycling depot, and pick up the dog poop that collects in the yard.

The week of May 13 is expanded garbage collection week when we waive the limit on the number of garbage bags and cans allowed. Be sure to bundle all your refuse together properly or it will not be removed on garbage day. Check our [Garbage and Recycling](#) page and our [Refuse Collection and Disposal Information](#) pamphlet for more information.

Refuse Collection Services: Geier Waste, 250-632-4689  
KUTE Recycling Depot: 250-632-6633  
Kitimat Bottle Depot: 250-632-3377

Thank you for helping to keep our community beautiful.
