POSSIBLE SMOKE EXPOSURE IMPACTS AND OPENING OF EMERGENCY RECEPTION CENTRE

August 27, 2021 – The community is being warned of a risk to smoke exposure impacts due to a structural fire at the Kuldo Apartments.

Anyone experiencing breathing complications is advised to close their windows and stay inside.

Anyone experiencing severe breathing complications, please call 911 or go to the emergency reception at the Kitimat Hospital.

Anyone requiring shelter, including shelter from smoke exposure, should go to the Emergency Reception Centre that has been activated at Riverlodge.

Current wind patterns are unpredictable, and impacts on the community may vary and/or change quickly.
