## Winterfest and RailJam

The annual Winterfest and RailJam events were a huge success again this year. Ample snow combined with beautiful weather made for a great day for everyone.

Aside from the skiing and snowboarding, attendees indulged in many other events and attractions including tobogganing, face-painting, snow art, and free food.

Are you wondering where to shop in Kitimat? Check out the website and support our local business owners.

## Downtown Master Plan Survey

The District of Kitimat is creating a new Downtown Master Plan! We want your feedback. The online survey presents draft vision and principles for downtown Kitimat. Tell us what we have right and what might be missing. All comments are welcome. The survey only takes 4-6 minutes to complete and will provide valuable input on the future of downtown Kitimat. Survey closes at noon on Tuesday, February 18.

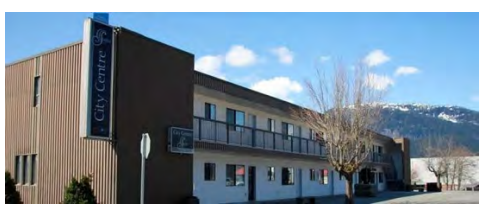

There will be a presentation of the draft Downtown Master Plan at the regular council meeting on March 2nd.

## Kitimat Cold Weather Shelter

The Kitimat cold weather shelter is located at the City Centre Motel (480 City Centre) and provides a warm place to sleep for those in need.

Open 7 pm to 7 am. For more information, please call or text 250-279-0847.

**Tamitik Jubilee Sport Complex and Sam Lindsay Aquatic Centre**

Come join us for a complimentary skate and swim. Skate Rentals are available.  
 Helmets are mandatory.

## Snow Clearing

We are heading into warmer weather, but as there is still potential for snow, we would like to remind everyone of some snow clearing guidelines - when streets are being cleared:

- Stay back from the snow removal equipment at least 15m while driving.
- Do not attempt to pass or go around snow clearing equipment.
- If operators are clearing behind you, pull into the nearest driveway to let them pass.
- Stay indoors while the machines are at work on your street.
- Avoid watching snow blowing equipment through front windows of your home, as ice chunks can be thrown from the chute and break through the glass.

The District of Kitimat reminds residents **NOT TO PLACE** snow from private driveways and yards on to the streets.

This practice creates:

- Hazardous driving conditions
- Impedes access for emergency vehicles
- Increases snow removal time and costs significantly

For more information on snow removal, visit [www.kitimat.ca](http://www.kitimat.ca).
